The Delaware Department of Transportation (DelDOT) invites the public to attend a public presentation to receive information about the design for pedestrian improvements in Arden at the intersection of Sconset Road and Harvey Road. This intersection connects the school to the Arden neighborhood. The proposed safety improvements will be the focus of the April 18th public workshop. Attendees will have an opportunity to review display materials and provide comments to DelDOT representatives.

Interested persons are invited to express their views in writing, giving reasons for support of or in opposition to the proposed project. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover, DE 19903 or sent via email to dotpr@state.de.us.
